## PRIMARY SCHOOLS FUTSAL PROGRAMME 2017

**FOOTBALL  
IN SCHOOLS  
PROGRAMME**  
*the pathway to develop Irish football*

# INTRODUCTION

Futsal is the official FIFA version of the indoor 5 a side football. It is played between two teams of five players, one of whom is the goalkeeper and up to seven substitutes per team may be used. Unlike some other forms of indoor football, the game is played on a hard court surface delimited by lines; walls or boards are not used.

Futsal is also played with a smaller ball with less bounce than a regulation football. The ball and rules create an emphasis on improvisation, creativity

and technique as well as refining ball control, passing and dribbling in small spaces.

The Primary Schools competition caters for boys and girls in 3rd and 4th class. The programme delivers a quality fast paced action packed game focusing on skill, speed and technique.

Competitions will run between October and December with the emphasis on fun and participation.
