PARTICIPATION

For the 2023 FAI Primary School 5s we are asking all schools to coordinate their own in-house competition prior to submitting their

player registration list. The purpose of this is to build upon the inclusivity of the programme in 2022 and encourage participation for all pupils within the school. The FAI will provide a guide for how to conduct the in-house competition within your school once your registration is received.

In advance of the day of competition, schools will receive a player registration list and must follow the procedure below:

- A squad of no more than eight players must be submitted to the local co-ordinator on the day of the competition.
- Full name of each player and the player's date of birth should be included on the registration list.
- Signature of the teacher in charge must be on the registration list.
- Once submitted, no changes can be made to the squad for that day's competition.
- Player's registration lists will be available for inspection by other teachers during the competition.
- Teachers should be aware that they are responsible for the behaviour and supervision of their players. Any students attending these blitz days as spectators, should also be under the supervision of teachers.
 - All schools must agree and abide by the rules of the competition.
 - *Confirmation from the teacher that all players are eligible for this section of the Primary 5s (ie all players have an additional need/recognised disability). Signature of the teacher in charge must be on the registration list.

MEDIA

All schools are encouraged to promote the competition in their own area through local press, radio and/or social media platforms. You can use the hashtag **#Primary5s** and follow us on twitter and Facebook at **@faischools**. All media press releases and reports must refer to the tournament's full title at all times 'FAI Primary School 5s'.
